

Coming to a Harlem park near you, starting April 14th!

The sun is back and so are we!

Do you know any kids in grades K-5 who want fun, free, outdoor STEAM enrichment? Starting this week, we're partnering with [Street Lab](#) to bring HYPOTHEkids Science Club activities to three different Harlem locations!

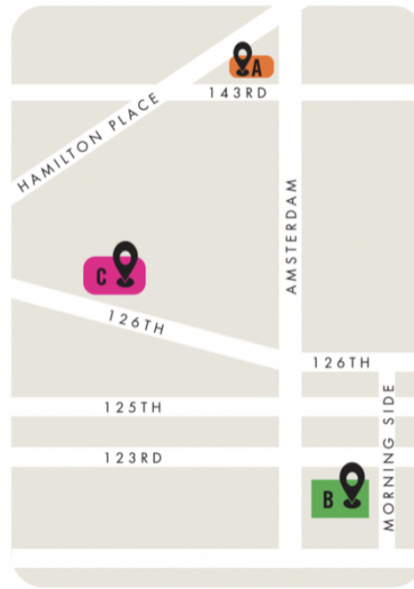

For 15 weeks, kids can try a cool new HYPOTHEkids Science Club project (we're starting with Mathcrush), test out Street Lab's puzzle station, and get homework help from college students! Kids who come back each week will find new activities

every time, and we love to see returning faces!

Here's when and where to find us:

- A** **TUESDAY:**
Johnny Hartman Plaza
(143rd and Amsterdam)
- B** **WEDNESDAY:**
Morningside Park
(near 122nd St. entrance)
- C** **THURSDAY:**
Shelting Arms Park
(near sprinklers on 126th)
- TIME:**
2pm-5pm

Our fully-vaccinated teachers will observe social distancing and DOE safety protocols.
